

## REMEMBERING C. PARAMALINGAM

# KIND AND GENEROUS

**C**oach C. Paramalingam was a wonderful human being and a dear friend.

He gave me that opportunity to be the team doctor in 1991, with his National Junior Hockey squad.

This association with him saw my involvement at the 1993 Junior World Cup in Barcelona 1993. This was my biggest exposure in the world Sports arena.

About Param as a person...He was very kind, thoughtful and generous in words and deeds.

In all my years of being involved in Sports medicine, I had never come across another sporting personality of his nature. He was one of a kind and it was a great privilege working and knowing him.

I like scores of others who had the opportunity to come to know Param, will always have him in our hearts and memories.

Farewell, dear Coach Param...I shall miss you and your unselfish personality.
