

# HOCKEY'S NICE GUY

● **BY COLIN STA MARIA**  
(HOCKEY OLYMPIAN)

**A**s a young player I had the greatest opportunity to have played alongside Rama in the National and state teams.

Not just his immense experience but also his down to earth personality were an inspiration to me.

He was always so willing to share his hockey knowledge. This imparting of knowledge played a great part in my international hockey career .

Rama was polite, humble and this made him such a likeable person.

He will always be remembered as the “Mr Nice Guy” of Malaysian hockey.
