## HE PLAYED WITH INTENSITY

**M**y thoughts of Param were as a youngster. I found myself playing as a left inside in a Selangor match in 1967. Param was the first choice Centre Forward .

It was a real eye opener. I've never seen anyone like him with such intensity when he went into an attacking mode.

He was extremely dangerous especially inside the circle. Normal crosses to him will end up behind the net.

Param was responsible for suggesting to the then Selangor coach Chua Eng Cheng to try me out as a left back and I stuck to this position throughout my career."
