# MY CONSTANT COMPANION

● BY **TERENCE RAJASINGAM**  
(HOCKEY)

**M**Y memory of this great gentleman goes back to 1972.

He was a good motivator, gentle in his ways, and always had a kind word for everyone.

Never have I heard him ever put down anybody.

Always advising on good traits of Life. He became my constant companion in our journey. As we were both "widowers", he provided me the strength and positiveness to move on.

Will miss you dearly my dearest "Anneh".
