

A Gentleman

BY GRAEME LAWRENCE

(FORMER SINGLE-SEATER DRIVER, NZ)

THE passing of our friend Harvey is indeed sad but I have been privileged to have known this gentle and humble man.

A very competitive and successful saloons driver, we shared on many occasions our experiences and ideas on motorsports.

It was through the many race events, especially at the Batu Tiga circuit, that we met and these meetings brought us together.

We also shared social times off the track with a lot of humour as we journeyed along.

I shall always remember Harvey with pride as not only a great friend and gentleman but as a very highly successful driver.

Harvey, you are a legend!
Rest easy my friend.
