

## REMEMBERING RICHARD VELU

# GRACIOUS VELU

**T**HE name R Velu only resonated with very few members of the Rotary Club of Damansara. However, all that changed when a member of our club, RD Selva, had an unfortunate incident that required him to have full-time care.

Since he had no family member, the club took it upon

itself to admit him to a care home.

This came to the attention of Velu and George Das, who both offered financial assistance to take care of Selva.

Their offer of assistance reduced the burden on the club, and this has been going on for over four years.

The club is eternally grateful

to Velu and George for their timely assistance.

Velu may be gone, but every member of the club knows his name now.

Rest In Peace, Velu.
